Belle View Elementary School is participating in Walk to School Day on Wednesday, October 7, 2015

Join children and adults around the world to celebrate the benefits of walking and bicycling.

About our event:

For the 8th consecutive year, Belle View Elementary School will participate in the National Bike and Walk to School Day. As Healthy Bobcats, active members of the community and good stewards of the environment, we support walking and biking to school every day.

Lace up your walking shoes and find a buddy to walk with, or organize a “Walking Bus” from your bus stop, it’s a great way to start your day. Bikers, helmets are required and don’t forget to bring a working bike lock.

Please contact Jenniferfolsom@thefolsoms.net with any questions.
