Dear Parent/Guardian,

Welcome to CES! We are excited that your child will be joining us for kindergarten next year!

We want to let you know that our registration and orientation will be held on Friday, April 15, 2016. The registration can be completed either before or after the orientation as follows:

- Registration 9:30 – 10:15
- Orientation 10:15 – 10:45
- Registration 10:45 – 11:15

Enclosed is a registration packet, please complete these forms prior to the orientation/registration and bring them, along with your child’s original birth certificate, proof of residency and your driver’s license on April 15, 2016. Please see the enclosed Registration Requirements for questions you may have about what is required to register your child. The Commonwealth of Virginia School Entrance Health Form can be submitted at a later date if necessary, but immunization records MUST be received before a teacher will be assigned. We strongly suggest that you make an appointment with your child’s physician for their 5 year old check up as soon as possible.

Parking is limited at Centreville Elementary. Additional parking is available at the Manorgate pool next to CES on Green Trails Blvd.

We look forward to seeing you on April 15, 2016; please call our office at 703-502-3500 if you have any questions.

Sincerely,

Dwayne Young
Principal
