The SIS Parent Account is the Fairfax County Public Schools (FCPS) secure solution for accessing information about your child’s attendance, class performance, demographic data and course materials. Customized for elementary, middle and high school students, your SIS Parent Account also links to information from FCPS 24-7. SIS Parent provides another conduit for communication to and from your child’s school. The following information is available from your SIS Parent Account:

<table>
<thead>
<tr>
<th>Section:</th>
<th>Details:</th>
</tr>
</thead>
</table>
| Calendar – a listing of key school dates | **Elementary:** The calendar show important school dates, such as holidays, vacations and non-student attendance days.  
**Middle/High Schools:** The calendar show important school dates, such as holidays, vacations and non-student attendance days. A teacher may also enter assignment on the calendar for parents to see. Check with your child’s teacher to see if he or she is using this function. |
| Attendance – Daily or Period Attendance details | **Elementary:** Daily attendance information is found on this page. More information about absences and tardies can be found by clicking on the date, please note that in some cases there be a delay as information is entered by the school.  
**Middle/High Schools:** Period attendance is found on this page. More information about absences and tardies can be found by clicking on the date, please note that in some cases there be a delay as information is entered by the school.  
*Note: Contact the school with any questions regarding specific absences.* |
| Class Schedule – Homeroom or listing of classes by quarter | **Elementary:** Class schedule shows the homeroom teacher and a link to e-mail the teacher. Some schools will see additional teachers for students.  
**HS/MS:** The student’s current quarter class schedule is displayed, including links to e-mail teachers. |
| Course History – credit classes taken by the student. | **Elementary:** Course History is not currently available for elementary students.  
**HS/MS:** Course History lists all high school credit bearing courses as well as any verified credit earned with the course.  
*Note: Course history is not an official transcript.* |
| Course Request – Middle and High School requests for the next school year | **Elementary:** Course Request is not available for elementary students.  
**HS/MS:** Course Request lists courses requested by student for the next year, this is not a guarantee of any placements and only available after the new school year is created. |
| Discipline – very limited information such as date, offense and disposition. | Discipline provides limited information about any discipline incidents that involve the student. All confidential details, descriptions, victims and other information are not visible. Parents see the date, type of incident and disposition. (ex: Inappropriate use of cell phone – parent notified) |
| Grade Book – Middle and High Schools display of the teachers gradebook | **Elementary**: Grade Book is not available for elementary students.  
**HS/MS**: Grade Book displays the assignments and scores earned that have been created in the teacher’s grade book. Additional information about specific assignments can also be communicated. |

<tbody>
<tr>
<td>Health – Emergency alert information</td>
<td>Health does not display confidential conditions. Health means emergency medical alters and actions as entered by the Health Nurse. (ex: peanut allergy – carries epi pen). Clicking on the immunizations link displays the student's immunizations.</td>
</tr>
<tr>
<td>Report Card – quarter and final grades (marks) for the student.</td>
<td>Report Card provides the student’s marks for each grading period of the current school year. Elementary schools see the standards based marks and middle and high school students see letter grades.</td>
</tr>
<tr>
<td>School Information – easy way to find information about the school administration, faculty and staff.</td>
<td>School Information displays the address and phone number for the school and lists all staff members and their email addresses.</td>
</tr>
<tr>
<td>Student Information – displays a variety of demographic data about the student.</td>
<td>Student Information provides demographic data on file in the student information system. The data can be updated online via weCare@School (FCPS 24-7) or by contacting the school. All data should be reviewed for accuracy, such as Emergency Contacts and Physician information.</td>
</tr>
<tr>
<td>FCPS Links – links to relevant websites.</td>
<td>FCPS Links provides links to other FCPS resources, such as the FCPS main page, FCPS 24-7, school sites, etc.</td>
</tr>
</tbody>
</table>
| My Account – your Password can be changed here. | The My Account tab displays your account information, including your username. Here, you can update your primary email address.  
**Note**: Your home address and phone numbers cannot be updated here. The primary email address is the only field that can be updated. If you change your address, please contact the school. |

<thead>
<tr>
<th>Question:</th>
<th>Answer:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Why is FCPS implementing SIS Parent?</td>
<td>FCPS is leveraging the capabilities of our new Student Information System (SIS). This allows parents to see the most current data as it appears in our system of record.</td>
</tr>
<tr>
<td>Is my information secure?</td>
<td>FCPS uses the latest technologies to secure information and protect all information under its control. You will be prompted to choose a secure password. Remember to keep your password and login information secure. You may change your password at any time.</td>
</tr>
</tbody>
</table>
### Is this the same thing as the FCPS 24-7 Parent Account?
The FCPS 24-7 parent account allows you to view the assignments and other relevant information for specific courses. You may click on the FCPS 24-7 link, enter your credentials and see all the course information for your student.

### If I have more than one student, do I need to set up more than one account?
You only need to create one account. This account will include all of your children.

### How do I set up my account?
You will receive a mailer from Fairfax County Public Schools with detailed instructions on how to create your account. You will be assigned a unique registration code which you must use to register.

### I have more than one child but I do not see information for all of them. What should I do?
Please contact the school during regular school hours.

### Why can’t I see information in the grade book?
Please contact the school during regular school hours, each teacher is responsible for the entry of items within the gradebook. **Note:** Grade book information is not available for Elementary students.

### Some of the information about my child is incorrect. What should I do?
Please contact your child’s school about any information that is incorrect.

### What is the web address to access my SIS Parent Account?
[https://sisparent.fcps.edu](https://sisparent.fcps.edu)

### I lost my mailer. What should I do?
Contact your child’s school during regular school hours.

### I forgot my password. How do I retrieve it?
There is a link on the SIS Parent Account login page which allows users to change a password. You must have an email account in the SIS system in order to use this function.
