May STEAM Challenge

Dear Flint Hill Students,

Many of you participated in the April STEAM Challenge. THANK YOU! Here is the challenge for May. Using the instructions on the next page, create a new object. Bring in your creation to display in the library showcase on Friday, May 27th.

Remember to use the Engineering Design Process (EDP) while you work. Have fun and be creative with your designs!

Sincerely,

Mrs. Hoak
STEM Challenge

What can you do with... a tissue box?

How to participate:

Create something from a box of tissues (any size or brand)! You can use any other materials that you have available.

Use this challenge to be creative and learn!

*We will be putting all of the creations on display so be sure to bring your creation in before the end of the month: On May 27, 2016
