As the school year quickly comes to a close I would like to thank our families for partnering with us this year to help our students strive to reach their fullest potential.

Please note that the last day of school (Friday, June 23, 2016) is a two-hour early release day and dismissal should begin at approximately 2:05 p.m.

Please be on the lookout if you have a child in grades 3-6 for preliminary SOL score reports to be sent home with report cards on the final day of school. Official results will be mailed centrally sometime in August.

May our families that are PCSing or whose last student is bridging to the Middle School have a smooth transition and those that will be returning to us in the fall enjoy a restful and enjoyable summer!

Reminder Regarding Teacher Requests at Fort Belvoir Primary and Intermediate Campus for the 2016-2017 School Year

As we begin planning for the next school year, one of our most challenging tasks is creating class groupings. It is very important to have balanced classes that reflect the diversity of our students. These decisions are made with input from your child’s current teachers, counselors and administrators. On occasion, parents have a child who needs special considerations. In such cases, parents are asked to put their requests in writing, telling us about your child’s learning style, strengths and needs as a learner. You may also want to list characteristics of a teacher that would best match your student’s needs. If your child has unique needs that require special consideration, please complete our fillable form found at this web link:

http://www.fcps.edu/FtBelvoirES/docs/StudentPlacementParentInputForm.pdf and submit it to the attention of T. Carhart, principal no later than Thursday, June 23, 2016. Requests for specific teachers will not be honored. The deadline for submitting requests is the last Thursday before school ends (June 23, 2016). We appreciate, in advance, your support and cooperation with this process.
Have a Wonderful Summer
