Dear Parent(s)/Guardian(s),

We are excited about the upcoming school year! During the year we will be enhancing our social studies and science curriculum with a magazine entitled, *Scholastic News*. The *Scholastic News* comes in newspaper format with engaging illustrations and informative text. The cost of the magazine and science supplement is $5.50. Please include this amount when sending in supplies for the upcoming school year. Payment can be made with cash or check payable to Fort Belvoir Elementary School. *Please DO NOT use red ink, tear or staple the checks. Payments are due by the second week of school or two weeks after enrollment.*

Thank you!

FBES Second Grade Team
