Dear Grade 5 Parents,

Please note: Some classrooms use community supplies, so please DO NOT label supplies with your child’s name. Some supplies may be sent home for “home use.” Students do NOT need protractors or compasses for any class. Many supplies (crayons, glue, etc.) will need to be replenished throughout the school year. Watch your favorite stores for Back-to-School bargains during the summer and stock up on good deals!

Thank you,

Our Grade 5 Team
