Dear Parent(s)/Guardian(s),

In Kindergarten your child will read along with his/her teacher; practicing the ways in which we read: left to right, top to bottom, and return sweep. They will discuss what they read to enhance comprehension, reviewing the characters, setting, and main events. The *Scholastic Weekly Reader Magazine* is just one resource that we use to practice these skills. The **cost of the magazine is $6.00**. Please include this amount when sending in supplies for the upcoming school year. Payment can be made with cash or check payable to Fort Belvoir Elementary School. *Please DO NOT use red ink, tear or staple the checks*. **Payments are due by the second week of school or two weeks after enrollment.**

Thank you!

FBES Kindergarten Team
