Principal’s Message

It is hard to believe it is June, which means our school year is coming to an end in a few short weeks! This has been another amazing school year filled with fun learning! We are in the midst of SOL testing and year-end assessments and we are looking forward to end-of-year celebrations and reflections. Please be sure to check our website for event dates.

It has been my joy and honor serving the Hayfield Elementary community this year. Have a fantastic summer! September is right around the corner and we are all anticipating a successful 2015-2016 school year when our theme will be: Hayfield Hawks on a QUEST for knowledge!

Thank You PTA

Thank you so much to our wonderful PTA and parents for a wonderful Staff Appreciation Week in May! We truly appreciate the many ways you spoiled us all week long and cannot begin to thank you enough for your generosity and thoughtfulness.

Required Tdap Vaccination for Rising Sixth Graders

Tdap Immunization is required for all 6th grade students. Virginia law requires that all students entering sixth-grade (and all students new to FCPS entering grades seven through eleven) have a tetanus, diphtheria, pertussis (Tdap) booster immunization prior to entry into school. Students who have not provided documented proof of this immunization, or a doctor’s note indicating an appointment date when it will be received, will not be permitted to attend school in the fall.

Parents of current fifth-graders should review their children's immunization records to determine if the student needs to get the Tdap immunization. This vaccination may be listed as T, Td, DTaP, and /or Tdap. Parents should call their doctor or local health department if they have questions. The Tdap booster can be obtained from your child’s physician. Immunizations required for school are also available at the Fairfax County Health Department at no charge. Documentation that your student has received this immunization should be brought to the school.

PTA Spring Book Fair Totals

A huge thank you to all the families who attended the Book Fair during Math and Science Night and throughout the week and those that ordered books online. With your purchases, the library earned over $3,000 which will be used for new books, HES News Show equipment and technology improvements. We even earned an additional benefit of $1,968 in free books! Mrs. Shehan just ordered 10 new sets of books for the Reading Resource Room to be used in all grade levels.

Mrs. Frego and Mrs. Shehan would like to thank all our dedicated volunteers who gave their time to ensure the success of this event. These wonderful people are: Melissa Reveles and family, Amber Dillard, Melissa Casamo, Karen Riles, Stacie Harris, Lisa Ververs, Donna Fillman, Leigh Ann Platt, Heather Bennett, Erin Davis, Heather Rousseau, Dona Harris, Eleanor Barry, Brad Courtney, Kathrine Rosenberg, Susan Madden, Jill Morrison, Daria Bergen-Hill, Sandy Graf, Ms. Ergler and Mrs. Almeida. Summer Reading
Get ready to enjoy “Read to the Rhythm” during the 2015 Summer Reading Program at the Fairfax County Public Library. You will be able to register online or in person at your local library beginning June 19.

Preschoolers through high schoolers earn a coupon book with great prizes including free and discounted items by completing their reading and going to their local library branch by September 5.

Activities are planned for families, preschoolers, school-age youngsters, teens and adults throughout the summer.

Crazy Hair Spirit Day
Our final SCA spirit day of this school year will be Friday, June 5. It is our fun-filled crazy hair and vacation T-shirt day. All crazy hair displays must be completed at home. Nothing may be put on your hair once you are at school or on the buses. Any sprays that are found at school will be taken away and disposed of. Anyone not wishing to go the crazy hair route dig out your T-shirts from a vacation and join us on this spirit day by wearing them.
