

**2017-2018
Hybla Valley
Region 3
Dr. Lauren Sheehy, Principal**

End of Year SMARTR Outcome
By the end of the 2017-2018 school year, 80% or more of all students will achieve pass proficiency on the Spring 2018 SOL and/or at least one year's growth as measured by the universal screener.
Strategy 1 All students will take responsibility for their learning, focusing on developing essential reading and writing skills within their learning community.
Strategy 2 All students will develop strong reading and writing skills through a comprehensive balanced literacy framework.

End of Year SMARTR Outcome
The achievement gap in mathematics between all students and students with disabilities will be decreased by 10% on the 2018 SOL assessments.
Strategy 1 Students will receive differentiated support to develop their communication and critical thinking skills in math.
