COMMUNITY CLEANUP

Saturday, April 9, 2016 8:00am - Noon
West Springfield Elementary Parking Lot

Once again, Monique Craft and Crew has arranged for Fairfax County to provide a dumpster and loading crane to help you get rid of your large, bulky trash items, so save the date and start planning.

The cleanup is co-sponsored by the West Springfield Elementary PTA and will be held in the parking lot of their school from 8:00 a.m. until noon. We encourage you to take advantage of this convenient opportunity to “clean up” and get rid of items that may have accumulated in your homes and yards in order to make our neighborhood look better -- helping to maintain our home values!

**Examples of items that can be accepted:**
- BBQ grills
- Discarded fencing and rusty sheds
- Toilets
- Lawn mowers (gas removed)
- Furniture and Exercise Equipment
- TV’s Stereos, computers, electronics
- Wheels & car parts including old tires (off rims)
- Large or small appliances including refrigerators, washer/dryer etc.

If you have items you would like to get rid of, but don’t have a way to transport them to the school, my husband Don will come to your location with his pickup truck. However, due to time constraints, there will be limited availability, so please call 703-451-SALE (7253) or email moniquecraft@mris.com to make arrangements in advance (it’s helpful for planning to let us know what types of items you’re discarding).

Looking forward to seeing you again this year and be on the lookout for information on our Fall Shredding Event!

**Items that cannot be accepted:**
- Normal household trash, leaves, rocks, bricks, concrete, stone, dirt, roofing shingles, drywall, asbestos, glass, hazardous chemicals, pesticides, motor oil, car batteries, paint, toxic waste, animal waste, and explosives.
