Join your peers for a summer of online learning! Participate in one of two online programs, *Time for Change* (for level 1 and 2 students) or *Change Agent* (for level 3 and 4 students).

**What will I learn about?**

Change occurs in all parts of our life, and we can create change, too. Through FCPS 24/7 Learning and Blackboard Collaborate, students will practice reading and writing, and acquire new strategies. Students will read and respond daily in journals, blogs, and wikis.

**Who can participate?**

Current FCPS Middle School and High School ESOL students with WIDA ELP levels 1-4 are eligible.

**When will the program be held?**

The program dates are July 5 – July 22. Students participate in 1 hour per day of synchronous online learning (10:30-11:30am) and an hour per day of reading, writing and online assignments.

**Where will the program be held?**

The program is entirely online, but students will be invited to attend after school introductory sessions at their schools. Ask your ESOL teacher for more information.

**How do I register?**

Registration begins **May 2** and ends **May 27**. Your parent/guardian needs to register you online. [http://www.fcps.edu/is/summer/esol.shtml](http://www.fcps.edu/is/summer/esol.shtml) or [https://aceclasses.fcps.edu](https://aceclasses.fcps.edu)
