Learning Across the USA is a class designed for English Speakers of Other Language (ESOL) students with beginning to advanced proficiency in English. While learning English, students will explore the United States (U.S.), experience American culture and gain knowledge for success in U.S. schools. The language of science and social studies will be incorporated into fun activities to enhance students’ reading, writing, speaking and listening skills. Each week will explore a different part of the U.S.: Section 7011—East Coast; Section 7018—Middle America; Section 7025—West Coast. Call 703-658-1201 to register and request a $25 per student discount for two students in the same family.
