**In addition:** We are planning several field trips to enrich our learning during the year. Do not send any money in now, but please budget about $20.00 for the entire school year. We typically visit a farm or nature center in the fall/winter and take a trip to Washington DC to visit the monuments or see a play in the spring. We will also be collecting $5 at the beginning of the school year for crafting supplies needed for special projects this year.
