March 3, 2015

Parents,

The Boosterthon Fun Run kicked off today with a fun Pep Rally and I am super excited about this year’s program. The Boosterthon Fun Run program involves all students in a fun, team building, fitness event while helping our school raise much-needed funds. The central focus of this year’s character program is COMMUNITY. This year’s character theme is ROCK’N TOWN LIVE, and the Boosterthon Team will take students on a fun-filled journey teaching them the importance of building community with this fun, music festival theme.

Our entire school is raising funds for our school, and our goal is to raise $13,000

Here’s how you can help:

• **REGISTER YOUR STUDENT AT FUNRUN.COM** - Please register your child on funrun.com using your class access code. Students receive a **FREE GIFT** just by having their parent or guardian register them on funrun.com.

• **GET PLEDGES** by connecting your student with 10 sponsors. Funrun.com has many ways to use social media in the pledging process and pay online. Be sure to capture and record the e-mail address of each sponsor, as they will have an easy opportunity to pay for your student’s pledge by credit card online.

• **COME TO THE BOOSTERTHON FUN RUN NEXT FRIDAY, MARCH 13**! More details to come! Remember, students will be running 30-35 laps, and we would love to have lots of support for our team!

Thank you for supporting our school!

We’ll see you next week at the Boosterthon Fun Run!

Sincerely,

Sigrid Ryberg

*the original FunRun date was 3/12; however, due to inclement weather, we’ve pushed to FunRun to 3/13
