Do

• Register your device
• Get permission from your teacher to use your device
• Always connect to FCPS Wi-Fi
• Be responsible for keeping up with your device
• Use it only in the classroom for instructional purposes
Don’t

• Use any device that has not been registered
• Lend your device to another student
• Plan to charge your device at school
• Use it in any place but the classroom with permission of the teacher
• Ask your teacher or a staff member to help fix your device or software
• Take pictures using either the camera or video camera on your device
• Ask your teacher to hold or store your device
Electronic Device Use for Students

• Students may register up to 3 of the following devices – laptop, netbook, smartphone, e-reader, or e-tablet

• Bring device(s) and permission forms with parent signatures to room 416 before school or during lunches

• These are ONLY to be used for classroom instruction with permission of teacher
Registering Your Own Devices

Starting next week you can bring your devices to school for registration.

To do this go to:

http://www.fcps.edu/LutherJacksonMS/.

Download the forms found here. Share them with your parents and have them help you complete the forms.

Please bring the completed forms AND the devices you want to registered to room 416 either before school or during lunches next week.
Registration forms can be found by going to http://www.fcps.edu/LutherJacksonMS/

• Go to About Our School and then to Personal Computing Devices.
• Bring the completed form and all devices to Room 416 either before school or during lunches next week.
