Do’s of BYOD

Do:

- register your device(s)
- charge your device at home
- use FCPS WiFi only
- keep your device with you
- get your teachers' permission before using your personal device
- know which apps will work for which purposes; teachers will not suggest apps
Do’s of BYOD

Do:
- get parent approval before installing new apps; we will not require specific apps
- use your device for class purposes ONLY
- secure your device!
- remember this BYOD is a PRIVILEGE that can be removed at any time!
- keep your device in a protective sleeve or case
Don’ts of BYOD

Don’t:
- lend your device to anyone!
- use your device for social media during school
- use your device in hallways, locker rooms, the gymnasium, bathrooms, or the cafeteria (unless instructed to do so by a teacher)
- ask your teachers for help with your device; if your device stops working correctly, talk to your parents
**Don’ts of BYOD**

**Don’t:**
- remove your registration sticker from your device
- use a device that is not registered
- take pictures or videos that are not explicitly to be used for schoolwork, at the direction of a teacher
- post pictures or videos of students, staff, or school activities to social media sites
- ask your teacher to hold or store your device
- register more than three devices
