**MHS Freshman Summer Institute**

Helping Rising Freshmen Transition to McLean High School

Monday through Thursday, August 24 – 27, 2015

The MHS Prep Summer Institute welcomes rising ninth-graders

**Overview of the Summer Institute Program:** McLean High School is pleased to present our Summer Institute for rising freshmen. McLean teachers will be working with students in August to jump-start the year with fun and engaging sessions designed to help rising ninth-graders at McLean succeed in high school. Students will become acclimated to a new level of learning through sessions on topics like note-taking and study skills, time management, organization and high school life. While the goal is to learn how to be successful at McLean High School, there will also be many icebreaker activities to meet other students. All rising ninth-grade students are invited to register for this institute.

**An exceptional value…An opportunity to learn…**

The registration fee for the four-day Summer Institute is $60, payable to McLean High School. Please, if you are in need of financial assistance, contact Mike Zook, Assistant Principal at McLean at 703-714-5700 or Michael.Zook@fcps.edu
