Mount Eagle Elementary School Improvement Plan

**Mission Statement for Mount Eagle Elementary:** We are here to nurture all students so they become life-long, active participants in their own learning, develop a sense of self and community, and become productive members of society.

Our vision is that all Mount Eagle students will be complex problem solvers and critical thinkers equipped to take on any challenge in the world with persistence and compassion.

**Mount Eagle Elementary has established the following goals in alignment with the school's mission statement:**

**Raise the Bar:** The percentage of students in grades K-6 making grade level benchmark by spring 2014 will increase from 58.8% to 75% as measured by the DRA2.

**Close the Gap:** The percentage of students in grades K-6 in all subgroups making grade level benchmark by spring 2014 will increase from 58.8% to 75% as measured by the DRA2.

**Individual Goal:** The percentage of students in grades K-6 in making an individual goal by spring 2015 will increase from 60.7% to 75% as measured by the DRA2. Students' individual goal will be defined as follows: students scoring below grade level in the fall will make at least 1.25 year’s growth and students scoring at or above grade level in the fall will make at least 1 year’s growth as measured by the DRA2.

**Raise the Bar:** The percentage of students in grades K-6 scoring a 3 or higher on an equal shares problem type in the in the category of Problem Solving Strategies as measured by a school created grade level assessment will increase from 54% to 75%.

**Close the Gap:** The percentage of students in grades K-6 scoring a 3 or higher on an equal shares problem type in the in the category of Problem Solving Strategies as measured by a school created grade level assessment will increase from 54% to 75%.
