<b>End of Year SMARTR Outcome</b>
By the end of the 2017-2018 school year, at least 90% of students in VDOE Gap Group 1 will achieve grade level proficiency by meeting or exceeding benchmarks as measured by the DRA2-WA, DRA2, IEP goals, Universal Screener and/or SOL pass rates.
<b>Strategy 1</b>
Expand the Responsive Instruction model and provide targeted support and implementation to students with the largest gaps in achievement.
<b>Strategy 2</b>
Implementation of Best Practices in literacy instruction.

<b>End of Year SMARTR Outcome</b>
By June 2018, all students will increase their Collaborator Skills by a minimum of one level as measured by the Portrait of a Graduate Collaborator Rubric.
<b>Strategy</b>
Focus on the attributes of the FCPS Portrait of a Graduate and provide teachers with resources and strategies to develop students' skills to become strong collaborators in this rapidly changing, increasingly diverse, and interconnected world.
