End of Year Goal - Math Close the Gap

By the end of the 2015-2016 school year, at least 88% of students in VDOE gap group 1 will achieve grade level proficiency as measured by the SOL, MRA, or KMRA assessments.

**Strategy 1**
Expand the Responsive Instruction model and provide targeted support and implementation to students with the largest gaps in achievement.

**Strategy 2**
Implement math professional development to teachers to monitor and provide interventions for students with identified learning needs.

End of Year Goal - Math Raise the Bar

By the end of the 2015-2016 school year, at least 95% of all students will achieve grade level mathematics proficiency as measured by the SOL, MRA, or KMRA assessments.

**Strategy 1**

**Strategy 2**
Provide professional development to teachers in using the Elementary Mathematics Instructional Sequence (EMIS) to extend and enrich students’ mathematical achievement.

End of Year Goal - Reading Raise the Bar

By the end of the 2015-2016 school year, at least 97% of all students will demonstrate reading proficiency as measured by meeting or exceeding benchmarks for DRA2-WA, DRA2, IEP goals, and/or SOL pass rates.

**Strategy 1**
Provide professional development to teachers in Best Practices for Literacy Instruction.

**Strategy 2**
Implementation of Best Practices in literacy instruction.
