PTSA President’s Message

Fall is in the air, the first quarter is finished and school is definitely in full swing. In addition to the exciting things the administration has planned for our students this semester; we are looking forward to our annual Marketplace on Saturday Nov 14th. This is an outstanding event and co-chairs Ingrid Calarco and Eloise McNeil have worked hard to make this the best event yet. Please make sure to stop by – there is something for everyone!

October was full of exciting events and November will be more of the same. Both the Depression Screening for 7th and 10th graders and the Legislative Forum were successes, as was Touching Bases; and we will continue to offer support to our families and community through programs and activities. For a complete list of upcoming events, make sure to check out the PTSA website for more information: robinsonptsa.org; and don’t forget to follow us on social media as well!

I also wish to extend our deepest condolences to the O’Neal family, who remain in all of our thoughts; as well as to the victims of Woodson’s recent fire. Please continue to support these and all members of our community as we move through the holiday season.

Wishing you a Happy Thanksgiving!

Micelle Emery
Robinson PTSA President
Join us at
The Robinson Marketplace

PTSA Sponsored
Craft Fair, Silent Auction, & Raffle
Saturday, November 14, 2015
10 am - 4 pm

What Is The Robinson Marketplace???
The Robinson PTSA has hosted this Free 1 day indoor holiday market for the past 5 years and it has become our largest single fundraising event of the year. We open our main hallway to approximately 85 vendors, school groups and community organizations who showcase a large variety of goods for sale. Home Depot joins us to provide a Free Kids Workshop. We carefully select these vendors to provide a diverse variety of goods for you to choose from close to the holiday season. Funds are raised by charging vendors a space fee to participate. We raise additional funds through our Marketplace Silent Auction and Raffle.

Local and National Merchants and our Marketplace Vendors generously donate items and gift certificates which, depending on their value, are designated as Silent Auction items to be bid on during our event, or Raffle Items which can be Won by purchasing Raffle Tickets that are drawn throughout the day at our event.

What does the PTSA do with the money we raise?
Funds raised from this event are used to support a wide variety of school and community programs. These include academic programs, health and safety events, school publications, support for faculty development and morale, school technology advancement (ie. White boards and new equipment for video streaming of Robinson events), and financial support for student clubs and groups. As State funds decrease, these PTSA contributions become even more crucial.

By Purchasing Robinson Marketplace Raffle Tickets and Bidding on our Silent Auction Items, You Help us Support these Valuable School Programs - Thank You!

For more information go to www.robinsonptsa.org
THE ROBINSON MARKETPLACE – 2015 VENDORS

(!) Vendors with an exclamation point are generously contributing to our Silent Auction & Raffle
*Vendors with a star are listed under multiple categories

Robinson Booster Clubs, Student Organizations and Special Guests:

**Why is Robinson so successful? Because of Volunteers like YOU!**

Please sign up for as many activities that work for you. Click here for an online form to fill out that shows the list of volunteer opportunities for the current school year OR fill out this form and return to PTSA at Back to School Night!

It is important for kids to see their parents taking an interest in their school and activities. It's also a tremendous way to get to know the school administration and the parents of the kids your kids will be associating with.

There are many volunteer opportunities available throughout the year -- both short term and long term opportunities, as well as things that can be done during the day or the evening depending on your work schedule.

If you are unclear as to what a job entails, please don't hesitate to contact volunteercoordinator@robinsonptsa.org.

Every year, it takes thousands and thousands of volunteer hours to make Robinson the school it is. Please join us this year!
Student Directories are now available online at [www.robinsonptsa.org](http://www.robinsonptsa.org):
$6 for the High School Directory. $5 for the Middle School Directory. Mailing costs will apply when purchasing the directory online.

Robinson is having their Annual Thanksgiving Lunch on Thursday, November 19th from 10 AM to 1:30 PM. We need parent volunteers to serve lunch to the students. Meet in the cafeteria office with a baseball hat or hair net. Sign up below:

**Robinson Thanksgiving Lunch Volunteers 2015**

Robinson has 25 families in need for Thanksgiving Baskets. You can drop off the non-perishable items in the main office at Robinson the week before Thanksgiving. Turkeys must be frozen and dropped off that day (Monday, November 23rd before 3 PM). We need parent and student volunteers to help make the baskets. Please consider donating by signing up.

**Robinson Thanksgiving Baskets 2015**

The Robinson Mathematics Department, with the support of the Robinson Academic Boosters, will once again sponsor the AMC 10 and AMC 12 math competitions. The AMC exams are competitive mathematics contests for high school students. The contests will be given on the morning of February 17, 2016. Students need to pre-register through their math teacher during the month of January; the planned registration fee is $3.00. Please watch for announcements on Good Morning Robinson, ask your math teacher, or contact Mr. Collidge (Robert.Collidge1@fcps.edu) for more information.

Robinson will be conducting a School Wide Depression Screening on:

- Tuesday, November 10th – 7th Grade Students
- Monday, November 16th - 9th Grade Students
- Wednesday, November 18th - 11th Grade Students

If you or someone you know and loves struggles with reading and spelling you are not alone. Reading and spelling difficulties can be the result of Dyslexia. One in five people have this disorder. I have Dyslexia and understand the difficulties with reading and spelling for both children and adults. If you would like to learn more about Dyslexia you may contact Lisa Waldrop at (703)887-5618 or lisawaldrop2@gmail.com
It is hard to believe the first quarter is over! Here is what your counselors have been up to and what is coming up. As always, call your counselor with any questions.

- **Tutors** – The National Honor Society and academic Honor Societies (i.e., English, Math, etc.) have students who gain service hours by tutoring other students in subjects in which the tutor is strong. Tutoring is arranged by the two students to take place during RAISE periods (with a pass signed in advance by the teacher in whose room the tutoring will occur) or after school. Students can ask their teacher in the subject to be tutored or counselors about tutoring.

- **Senior college applications** – Counselors have been busy processing over 870 transcript and recommendation requests submitted to date, most for Early Action/Early Decision admissions and due on or before November 1. Seniors seem to be settling in to the requirements but it is important for them to remember DEADLINES! Please encourage your senior to pay attention to these! Depending on the number in the queue, while transcript information can be sent on time, there is no guarantee that recommendations requested after the submission deadline will be out by the requested date. **Priority goes to requests submitted on time.**

- **PSAT** – The PSAT was administered on October 14 to underclass students (Seniors take the real SAT!); it is an excellent tool to help students identify academic strengths and areas needing improvement. The PSAT this year was based on the revised SAT beginning next spring. The PSAT is also the qualifying test for the National Merit Scholarship for juniors. This year at a celebration breakfast we were proud to recognize 1 senior as a National Merit Semi-finalist and 23 Commended Students selected based on last year’s PSAT results. This year’s PSAT scores will be known in January and we will partner with the Academic Boosters to present a program on score interpretation.

- **Writing SOL** – Results should be back in November. Passing is required for graduation. Seniors who do not pass have a second chance on December 8 and 9.

- **RNKOTB** – We held our first Robinson New Kids on the Block (RNKOTB) meeting at a September lunch and are handing out invitations to a RNKOTB breakfast on Friday, November 6 for all 165 new Robinson students and student hosts. We strongly encourage ALL new students to come; they should check with their counselor if they do not get an invitation. We want to see them all to see how things are going! Kudos to Ms. Wiley who led the team on this.

- **Schedule changes** – It is very late to change classes from one discipline to another or start a new class. The deadline to withdraw from classes this year which will not appear on the transcript is the day first quarter grades are send out. While we know students always have a good reason to drop/change a class, we try to look at each case and encourage students to follow through on their choice. There may seem to be some strong reasons for change, but in many cases, a real world experience in perseverance is possible.
Important Upcoming Events

- **Class Orientation/Assistance activities:**
  - **SENIORS** – Struggling with that college essay? The Robinson Writing Center is here for you and can assist with your essay writing. Contact Dr. Frenck in Room C109 with any questions.
  - **JUNIORS** – Counselors will meet with juniors to discuss their important role in bullying/harassment prevention, life after high school and the process of starting to think about refining the college search process.
  - **SOPHOMORES** – Counselors will introduce sophomores to Family Connection résumé building on Family Connection and discuss character development on Monday and Tuesday, November 23-24.
  - **FRESHMEN** – Our second meeting with freshmen will be on Thursday and Friday, December 3-4, when counselors will discuss the transition to high school and laying a good foundation for success.

- **Depression Screenings** – Each year we conduct a depression screening for seventh, ninth and eleventh graders. The high school screenings will be done on Monday, November 16 (freshmen) and Wednesday, November 18 (juniors). The purpose is to identify students possibly at risk and advise their parents. The program is a brief guest speaker talk, a video and a short screening survey students complete. A Keep in Touch message was sent out with specifics and opt-out information. **Parents are invited to preview the program and ask questions on November 2 (Touching Bases day) in the Recital Hall from 10:30 to 11:30 AM.**

- **College Visits** – During the first quarter, Robinson hosted over 100 college visits. More visits are scheduled for November; seniors and juniors can check Family Connection for details and to sign up to attend.

- **ASVAB** (Armed Forces Vocational Aptitude Battery) will be offered for 10th-12th grade students on Friday, November 20th. Look for an email from Mrs. Doyle about how and when to sign up. The ASVAB it is a good vocational aptitude measure and does not require a military commitment. The ASVAB will be administered in the second semester on April 1st.

- **Hugh O’Brien Youth Leadership Seminar (HOBY)** – Founded by actor Hugh O’Brien, this program offers two sophomores from each Virginia high school a weekend leadership training opportunity next spring. Sophomores may self-nominate for this program. Information will be out in early November after which they can contact Jim Carter in Subschool 11 for more information.

With the end of the first quarter on October 30, counselors are encouraging students to seek academic assistance not only through RAISE but after school. Early effort will pay off! We strive to be available to students and parents, to celebrate successes and to work with you through the challenges. Keep in touch with your student’s counselor with any questions or concerns and we will do our best to keep in touch with you.
Ann Monday Library Media Center

On Blackboard:  Library Media Center (check here for database passwords and more!)
On Twitter:   @RobinsonLibrary

Hours:
Mon., Wed., Thurs.  7:40am – 4:15pm*
Tues., Fri.                          7:40am – 3:15pm
*late bus days; subject to change

RAISE

Students can get a pass to come to the library during Raise by making an appointment in the library on a Blue Day, and receiving a pass for the following Gold/Raise day. Students present their passes to the Learning Seminar/ Raise teacher, and then they may come to the library for a quiet place to study.

HS READER’S CLUB

Mrs. Hamm and Mrs. Reakes Smith sponsor the High School Readers’ Club, where students have the opportunity to read high interest, choice books, selected by the club members. The HS Readers’ Club meets on the first Thursday of each month in the Media Center at 2:50 – new members are always welcome!
WANTED
