| **Headphones:** Students will need access to headphones/earbuds at school from time to time. They may use headphones they currently have or may keep an extra inexpensive pair in their lockers. | **Calculator Info:** Students will need a graphing calculator for Algebra 1 & Algebra 1 HN. Students are strongly encouraged to purchase their own graphing calculator because it will be needed throughout high school. We recommend a TI-84 or TI-84+ (from Texas Instruments). Students may borrow a calculator from the school if they are not able to purchase one. Information about borrowing calculators will be distributed in the fall. |  
| **Calculator Info:** Students will need access to a basic calculator at home. |
