Inclement Weather / Emergency School Closings

The snow is currently falling and inclement weather is predicted for Friday. Please make arrangements now for emergency childcare in the event of a late opening or early closing schedule this winter. Be sure to discuss plans with your child so that they know what to do before they come to school. Please do not call the school. Announcements will be made on the local radio and television stations and on the FCPS website.

Attached is the inclement weather schedule for information specific to Sangster Elementary. If there is a snow delay, Sangster begins at 11:20 AM. If FCPS closes 2-hours early, our dismissal is 2:05 PM.

Do you every wonder how FCPS decides to close or delay schools due to inclement weather? This video explains and answers many common questions.  https://youtu.be/JHvcdK7YET0
