Dear Sangster Families,

The three weeks between Thanksgiving and Winter Break always seem to speed by! I’m sure you are experiencing the same thing as your family prepares for the holidays and our winter vacation. I wish for all of you the gift of health, happiness, and time with family and friends this holiday season. Take good care and Happy New Year! See you back at school on Monday, January 4, 2016.

Your partner in education,

Lisa M. Reddel
Principal

Cold Weather & Recess

Please make certain that your children are properly clothed for the upcoming cold weather this winter. We will continue to go outside for lunch time recess throughout the winter months.

Prepare Now for Inclement Weather & Change in School Hours

Please make arrangements now for emergency childcare in the event of an early or late opening/closing schedule. Be sure to discuss them with your child so that they know what to do. Please do not call the school - announcements will be made on the local radio and television stations.

Communicable Illness

In an effort to help keep our students healthy during the winter months, we would appreciate it if you would let the school know if your child has a communicable illness. You can do this by calling our clinician aide, or leaving the name of the illness (e.g.: strep throat, etc.) on the attendance line when you call in an absence. The other thing you can do that will make a significant impact on the spread of illness at Sangster is to keep your children at home until they are no longer contagious and are well enough to fully participate in all school activities.

Bus Dismissal

Our buses are scheduled to leave Sangster by 4:15 PM. Sometimes they leave campus earlier, if the buses are loaded and our dismissal is complete.
