End of Year SMARTR Outcome (Goal)

The gap between Gap Group 3 (Hispanics) and our highest achieving group (White) will be 13% or less as reflected on the 2016 Reading SOL/VGLA-VAAP assessment.

**Strategy 1**
Utilizing Best Practices to strengthen Tier 1 instruction for all learners.

**Strategy 2**
Applying Collaborative Team practices to plan and teach for student learning.

---

End of Year SMARTR Outcome (Goal)

Students in Gap Group 3 will close the achievement gap by 10% as reflected on the 2016 Math SOL assessment.

**Strategy 1**
Identifying the strands or areas where our students are struggling and provide support (Tier 1) in those areas.

**Strategy 2**
Increased awareness of utilizing classroom discourse, getting students talking about math that is both relevant and rigorous.
