Parents Only
No Child Services
Dear Parents,

Thanks to all of you who attended our K-3 Back To School Night on Monday evening; what a wonderful show of support for your children by your attendance, many thanks. We are greatly looking forward to our grade 4-6 Back To School Night on Monday, September 24th from 6-8 PM as well!

As many of you are aware, FCPS has embarked on an new elementary progress report that will give a more accurate picture of how well your child is performing in school based on curriculum standards aligned with the Program of Studies of FCPS. In addition, the report card will allow teachers to report out your child’s life, work and citizenship skills separately from academic achievement. Below is a link that is brimming with information regarding the new elementary progress report including: grade level information with examples of grade cards, Level IV AAP grade information, a modified curriculum overview and many, many more details. Please note that you may see the actual grade cards in English, Chinese, Korean, Spanish, Vietnamese, Urdu and Farsi. There is also a wonderful section with FAQs and a brief (10 minute) narrated Power Point that Mr. Tritle, Mr. Casey and I will show at our evening meeting on the new report card scheduled in our cafeteria from 6:00-7:30 PM on Tuesday, October 2nd. We will leave plenty of time for Q & A.

Virtually any resource available, regarding our new elementary progress report, can be found at http://www.fcps.edu/is/elemprogreport/index.shtml.

Best regards,

IMPORTANT

FROM THE CAFETERIA !!!!

Welcome back to a brand new year 2012-2013!!!
I would like to introduce myself and also remind you that I am ALWAYS available should you have any concerns or questions. My name is Shobana Sen. This is my first year as the CAFETERIA MANAGER of SPRING HILL. Prior to coming here, I have been a floater manager within the county for four years. In total, I have about twenty years of experience in the food industry.

There are a couple of things I would to bring to your attention. Our breakfast program is back in full swing!!! Breakfast is served every morning from 7:50 to 8:30 a.m. The cost is $1.50 and includes one of the following: cereal, mini pancakes, cinnamon roll, zucchini bread, banana bread, bagels, pancake on a stick and yogurt. There is also a choice of juice and milk (1% or Skim). Fresh fruit is also served. Items may also be purchased a la carte. I try to serve 2-3 items in order to offer several choices for breakfast. Students who are qualify for the free and reduced meal program have access to free breakfast and lunch.

This year we have a new USDA regulation. There is a meal pattern that has always been followed regarding the different food groups. The children were required to have at least 3 food groups. Now they are required to have at least one fruit or vegetable in their tray. They may have as many as two vegetables and two fruits. I would like to request for you to please encourage your children to try the variety of fresh fruits and vegetables that we are offering!

I collect payments in the form of cash or check. If your child comes home with a sticker, that means that their balance is running low and you will need to add money. Another way to put money in your child’s account is accessing mylunchmoney.com. When you visit this website, you will need your child’s student ID number and their birth date. You will then enter your credit card information to replenish the account. There will be a convenience charge of $1.95 per transaction.

All parents may freely access mylunchmoney.com to determine the balance on their child’s account and also to find out what their child has purchased in the past 7 days.

I look forward to a lovely year with the students! Again, please do not hesitate to contact me if you have any questions. I will more than happy to help.

October 2012

Food and Nutrition Services has developed monthly Energy Zone Wellness articles that schools are welcome to use in monthly parent newsletters.

October has the following promotions:

- **9-5-2-1-0 Zip Code to Your Health**
  To encourage student wellness, FCPS Elementary Schools are promoting **9-5-2-1-0 Zip Code to Your Health** the week of October 15 – 19, 2012. Students will learn about healthy eating and exercise through this daily message. This program is a partnership with the Northern Virginia Healthy Kids Coalition. Teachers are invited to highlight the daily message in the classroom.

- **ENERGY ZONE WELLNESS DAY, OCTOBER 27, 2012**
  Bring your family to a fun filled health fair activities at:
  Frying Pan Park
  2709 West Ok Road
  Herndon, VA 20171
  10:00 a.m. – 2:00 p.m.

- **BREAKFAST – A GREAT START TO BEING SMART**

  Breakfast is the most important meal of the day. Research shows breakfast eaters perform better in class and have better attendance and behavior. It “breaks” the night’s “fast” by replacing the energy reserves used overnight. School-aged children, especially teens are the biggest “breakfast skipper”. Create a nutritious breakfast by including whole grain breads, whole grain cereals, fruits and vegetables, milk, yogurt or cheese.

  To meet student needs, FCPS serves breakfast in 173 schools and offers an optional “Breakfast in the Classroom” in some schools. The breakfast menu is planned to be quick grab and go due to tight morning schedules especially with late buses. The cereals are whole grain and contain reduced sugar.

  To promote the importance of breakfast, FCPS has designated October as Breakfast Month.
STEM Wonderful at this year’s Scientists in Our Midst!

Science Technology Engineering and Math were shining last Thursday and we are so excited. Thank you to Dr. Christina Annuziata for sharing about cell mutation and cancer. Thank you to Mr. Casey and Ms. Melissa Levesque for sharing the ups and downs of river rafting. Thanks to Dulles Metrorail for the demonstration of safety equipment needed for workers building the new track. Thank you to Kathryn Poole for sharing a captivating (see photo below) explanation of satellites. Rocket science is not THAT hard?! Thank you to Bill Shvodian for sharing the solar power generation at his home. Katie and Grace were brilliant scientists as well! And finally, thanks to the ever present Mr. BOB Vanderhye and his explanations of all things mobile running off of renewable energy. It was a great night. Are you asking questions and looking for answers now?
Spring Hill Recycling/Up-cycling Program Launched

HAVE YOU HEARD THE NEWS? Spring Hill started our student-based system of recycling and up-cycling in the cafeteria on Monday, September 17th.

Students:

2. Up-cycled certain juice bags that will be sold to vendors who will use them to make household products.
3. Donated unopened food products (such as milk or yogurt) to the Share Food Pantry in McLean, VA.

We are very excited to bring this new program to Spring Hill, but we need your help for the 1st month to train all of the students. We need volunteers from now until 10/12 to fill each of the following shifts:

We also need volunteers to drive the unopened food to the Share Food Pantry one day a week.

We provide full training for each shift, and you’ll be able to participate in bringing recycling and up-cycling to every child at Spring Hill Elementary! Come join us as we move Spring Hill towards greener goals and be a part of this exciting new opportunity.

If you are available to participate for any shift or drive the food to the Share Food Pantry, please contact Olga Romanenko, olga77@yahoo.com for more details.
Do you want to be sure that your children have the most advanced learning technologies in their classrooms?

Please support the PTO so we can have sound fields and SMART boards in ALL CLASSROOMS at Spring Hill.

As of this week, 387 Spring Hill families are now PTO members. Our goal is to achieve 100% participation from all Spring Hill families, so please help us to continue all of our ongoing programs and also buy much needed technologies for our school.

If you have not already contributed, please do so to help us reach our fundraising goals. Remember, every dollar raised through this fundraiser benefits only our Spring Hill community.

There are two easy ways that you can participate:

1. Send in a check payable to Spring Hill PTO with the completed Fundraiser/ Membership flyer (green form) that was included in your Back-to-School folder. A copy of the flyer may also be found at the end of this Bi Line for you to print and return via your child’s backpack in an envelope labeled “PTO Membership/Fundraiser”.
2. Go to http://www.springhillpto.org, click on the Fundraiser/Membership button at the left and you will be able to contribute online.

Remember, your PTO membership allows you to register for After School Activities beginning next week without paying an additional registration fee and to receive a printed school directory later this Fall at no additional cost.

Thank you for your generous support. Questions? Contact MaryAnn Rebhan at mjrebhan@yahoo.com or Jamie Loving at jamie.loving@verizon.net.

ONE AND DONE 4th ANNUAL FUNDRAISER & PTO MEMBERSHIP

Once again, the Spring Hill Parent Teacher Organization (PTO) is combining our annual Fall Fundraiser with our PTO membership drive so each family can just write ONE CHECK AND BE DONE!

Every dollar donated through this fundraiser directly benefits our Spring Hill teachers and students. Did you know that the PTO supports a variety of programs at Spring Hill for all grades, including:

- Field trips ($15,000) and cultural arts assemblies ($5,000)
- Teacher enrichment and classroom supplies ($18,000)

Last year, the PTO also raised funds through our Fall Fundraiser and other initiatives to allow the purchase of 50 student laptops and memory ($23,000) and the mounting of classroom projectors ($43,000).

The suggested fundraiser donation is $100 per Spring Hill student. We are increasing our suggested amount from prior years to maintain our annual programs while raising additional funds to purchase the following technology this year in connection with mandatory SOL online testing and our building expansion:

- 15 soundfields ($18,000)
- 31 SMART boards ($36,000)
- 50 student laptops ($20,000)

Our suggested donation is consistent with what other schools in our area have requested from their parents for the past several years for just their annual needs, although any amount is appreciated. Your $10 PTO membership will include a printed directory and the ability to register for After School Activities without paying a separate registration fee. Our goal is to exceed the 81% participation rate that we achieved last year by having 100% participation from all Spring Hill families.

There are two ways that you can contribute to our Spring Hill PTO Fall Fundraiser and join the PTO:

1. Simply fill out the form below, place it in an envelope marked “PTO Fundraiser/Membership” with a check payable to Spring Hill PTO and return it to school in your child’s backpack OR
2. Contribute online by going to www.springhillpto.org, either LOGIN or REGISTER (if 1st time user), then look for the FUNDRAISER/MEMBERSHIP button on the left.

All donations are 100% tax deductible and will be acknowledged. If you have any questions, please contact MaryAnn Rebhan at mjrebhan@yahoo.com or Jamie Loving at jamie.loving@verizon.net. Thank you for your generous support of our PTO and our school!

Fall ASA classes will begin on Monday, October 15. Classes will meet weekly, from 1:00-2:00 pm Mondays, and from 3:30-4:30 pm Tuesdays-Fridays. Most classes are expected to run 8 weeks, and there will be no classes on Monday-Tuesday November 5-6, Monday-Friday November 12-16 (due to Spring Hill’s Book Fair), and Wednesday-Friday November 21-23.

Detailed class descriptions and fees are posted on the website and in the Bi-Line.

Please note that class offerings are somewhat limited this school year due to the ongoing construction and space limitations. Please make sure to register early, as in the past the most popular classes have filled up the first day.
