Dear 3rd-6th Grade Parents/Guardians:

Students in Grades 3-6 will be taking the Virginia Standards of Learning (SOL) assessments from May 13th to June 5th.

It will be very helpful if you can avoid appointments and vacations which may take your child out of school during this time period. Also, it will help your child perform his or her best if he or she has had a good night’s rest, a healthy breakfast, and comes to school with a positive attitude for each day of testing.

The Virginia Standards of Learning (SOL) tests are required of all students in Grades 3-6 across the state by the Virginia Department of Education. SOL tests measure the extent to which students have learned the content and skills specified in the Virginia SOLs. Recently, the State of Virginia reduced the number of exams for certain grade levels. This year, the following tests will be administered at each grade level:

- Grade 3 – Reading and Math
- Grade 4 – Reading, Math and Virginia Studies
- Grade 5 – Reading, Math and Science
- Grade 6 – Reading and Math

The purpose of the testing is to provide information about student achievement in several subject areas. Scores from the tests will be used to determine whether students fail to meet standards, are proficient in meeting the standards, or advanced in the standards.

Continued on pg 2
New this year, the Virginia Department of Education allows students who did not previously pass one or more Standards of Learning (SOL) tests will have an opportunity to participate in an optional re-test between June 8th-June 12th. If your child is eligible, you will receive a phone call from either Mr. Tittle, Mr. Casey or myself.

Official SOL results will be sent directly to your home from the scoring service, sometime in August.

Sincerely,

Roger Vanderhye

5th Graders: Don’t Forget to Get Your Tdap

All students in Virginia must receive a booster dose of Tdap vaccine prior to entering the sixth grade. Please bring your proof of immunizations to the office as soon as possible.

If your child’s birthday falls prior to the end of school, please make every effort to get the immunization and bring the documentation to school by June 19th.

If your child’s birthday falls after school is out but by Sept 4, 2015, please get documentation to the school by 9/4/15.

If your child’s birthday falls after Sept 4th you must bring documentation from your child’s doctor stating the date immunization will be given (should be on or soon after 11th birthdate). This must be turned in by 9/04/15.

It is most important that you attend to this matter soon. Sixth graders cannot begin school in the fall without documentation of having had the Tdap booster.

Dear Principal Vanderhye,

As I landed at Spring Hill Elementary School on Monday morning, I noticed that the school could use a new Virginia flag. Please accept this Virginia State Flag that was flown over the State Capitol in Richmond.

Thank you for your vision, commitment and passion with regard to shaping the leaders of tomorrow. Wishing you all the best!

Yabe

This summer, two of our teachers, Ms. DeWispelaere and Ms. Fitzsimmons, will accompany 10 of our students from Spring Hill Elementary school in McLean, VA on an exchange program to Spring Hill's sister school, Yabe Elementary near Yokohama, Japan. Our Spring Hill students will live with Japanese families and attend school with them.

We are raising funds for our two teachers to travel with the students and related transportation costs.

Our teachers will help organize the trip, help our students while there, and work with the Yabe school staff. It will be our third such exchange since the program began. (In the fall, Yabe students will come to the US and stay with Spring Hill families.)

It's a great way for students to learn about Japanese culture and life, to make a lasting bond with their Japanese host families, and vice versa. It's a unique exchange program for 3rd to 5th graders that we hope will grow!

Please donate and play a part in making this happen.

Please spread the word by sharing this link too.

Thank you for helping the teachers, the students, and Japan-US cultural exchange!

Ever thought about volunteering for the Olympics?
The closest this area is likely to come in our lifetime to an event like the Olympics is the World Police and Fire Games which will be held in and around Fairfax County from June 26 to July 5. The games will attract 12,000 police, fire, and other first responders from 70 countries to take part in 60 sports in 53 area venues. You can be a part of this exciting international event and meet people from around the world while acting as an ambassador for Fairfax County and the Nation. Volunteer opportunities exist in many areas including protocol, venues and competition, registration and accreditation, athlete village and volunteer support, media relations, logistics and transportation, and special events. Volunteers receive training and a T-shirt and are asked to volunteer on four days in shifts lasting 4 to 6 hours. Meals are provided. Please register no later than April 30 by visiting www.Fairfax2015.com and clicking on the Volunteer button.
Please come support 3rd grader, Anabelle Faneca, and her family at the 10th Annual Bands on the Bay. This event raises money to find a cure for Sturge-Weber Syndrome, a rare condition Anabelle was born with that causes many neurological issues in affected children.

Join us for a fun-filled day of live music, silent and live auctions, great food, beer, and wine on the Chesapeake Bay. This year’s event will feature the Doug Segree Band, Dublin 5, and Orlando Phillips, as well as special guest appearances by the Redskins Cheerleaders and former Governor Robert Ehrlich.

Visit the website for a complete list of musical performers, special guests, and auction items. All profits from Bands on the Bay go directly to the Hunter Nelson Sturge-Weber Center at Kennedy Krieger Institute of John’s Hopkins.

Spring Hill Presents “Stress Less” Week May 4-8th

Spring Hill Counseling Department will host its annual “Stress Less” Week the week of May 4th through 8th. Statistics from the Fairfax County Youth Survey and day-to-day student interactions show that our children in the Langley pyramid experience higher levels of stress than other areas of the country and county. The counseling team, in conjunction with all the schools who feed into Langley High School, has therefore implemented programs focused on reducing stress throughout the year and culminating in Stress Less Week.

We will kick off our own Stress Less Week two days early with a Parent University Speaker, our own Dr. Heather Tedesco. Please join us to learn strategies you can use at home to help you and your family reduce stress. Please watch the Panther Press for a strategy list on creating less stressful mornings.

Join Dr. Heather Tedesco at 9 a.m. on April 30 in the Spring Hill cafeteria for:
Stress Less, Laugh More: Strategies For Reducing Stress and Increasing Happiness For Families

Presentation preview:

Children and parents are under stress from many sources, including busy schedules, high academic expectations, numerous extracurricular activities, and peer pressure to keep up. Join Spring Hill parent and psychologist Dr. Heather Tedesco as she discusses factors contributing to stress on children and parents, gives ways to recognize stress in young kids, shares strategies for reducing stress, and explains the key characteristics leading to long-term psychological health. This is a helpful presentation you will not want to miss!

*Sponsored by the Spring Hill Elementary PTO Special Education Committee.
National Bike to School Day On May 6th

For the fourth consecutive year, Spring Hill will celebrate the day as a way to promote physical activity while reducing traffic congestion and pollution near schools. How does it work?

- Bike or walk to school on Wednesday, May 6th with neighborhood friends and parents OR
- Walk to your bus stop and ride your bus if you usually get a ride to school (this cuts down on traffic and is better for the environment)
- All students arriving on foot (or bike or scooter) on May 6th should enter school that day through Door 7. They’ll be cheered on by teachers and parents, and will receive a token of appreciation for participating.

We need a few volunteers between 8:00am and 8:45am to hand out tokens of appreciation for participating. Contact Cindy Sullivan at cindy_sullivan@verizon.net if you can help!

**TOTAL APPROPRIATIONS REQUEST**  
$60,000.00

The combination of laptops and carts needed is deferred to Mr. Vanderhye. Laptops were requested to complete the 6th grade and to provide laptops for the rising 4th grade. Carts can hold a certain number of laptops for storage and charging. Providing general guidance at this time is simpler because if the number of laptops and carts is specified but ultimately needed to be changed, the purchases would have to be delayed for another vote by membership.

**PLEASE VOTE BY APRIL 24**

We ask PTO members to please review the recommended list of appropriations requests above and submit your votes via email to the PTO President, Amy Prewett, no later than Friday, April 24th.

According to our Bylaws (found on the PTO website at www.springhillPTO.org), Appropriations requests must be approved by membership through a meeting or a ballot. The Executive Board has determined that the Panther Press newsletter will serve as a ballot.

Members either vote YES on the entire slate or NO. Per PTO Bylaws, a non-vote is counted as a “yes” vote. Amy’s contact information is acprewett@yahoo.com. Thank you for your generosity and consideration!
