Students at SEES should either walk to school or use the FCPS-assigned bus.

For families choosing to travel by car, the SAFEST way is to use our Kiss N Ride line. Once dismissal starts, the Kiss N Ride wait is typically no more than 105 minutes.

Students can only be dropped off in the STARRED areas above. Staff will be on hand to assist. Please have children enter/exit on the righthand side of the car. Thank you for helping us keep our students safe!
