**End of Year SMARTR Outcome: English Language Arts**

*The percentage of Kindergarteners reaching DRA level 4 by the end of the fourth quarter will be 75%.*

By the end of the 2015-2016 school year, 90% of students in each grade level will meet their appropriate DRA2 benchmark according to the expected performance chart, which uses individual baselines to measure progress over the course of the school year (1.5 years growth for students entering below grade level: 1 year growth for students entering at or above grade level).

*The percentage of students passing the Reading SOL in Grades 3-6 will increase from 58% to 75%.*

**Strategy 1**  
**Teams will create unit goals and assessments around high yield objectives for 1 or more units of study.**

**Strategy 2**  
**Students will effectively and consistently participate in literacy workshop in all classrooms to increase reading and writing skills.**

**Strategy 3**  
**Students will use the writing process during their literacy workshop and create one published piece per quarter.**

---

**End of Year SMARTR Outcome: Mathematics**

The percentage of students in each grade level K-2 meeting benchmark as measured by the MRA will be at least 90%. The percentage of students passing the Math SOL in Grades 3-6 will increase from 62% to 75%.

Meet expectations or reduce the failure rate of Gap groups 1-3 by at least 10%.

**Strategy 1**  
**All teachers will dedicate time to facilitate academic conversations within math workshop.**

**Strategy 2**  
**All teachers K-6 will implement math workshop.**

**Strategy 3**  
**All teachers will focus on Number & Number Sense and Computation & Estimation high-yield objectives throughout instruction.**
