**End-of-Year SMARTR Outcome: READING—RAISE THE BAR/INDIVIDUAL GROWTH**

90% of K-6 students will increase their reading comprehension by one grade level or more when comparing their October, 2014 baseline guided reading level to their end-of-year guided reading level.

**Strategy 1**
Implement best practices in Language Arts.
1) Strengthen Tier 1 instruction (POG Elements: Creative and Critical Thinker, Goal Directed and Resilient Individual).
2) Model, encourage, and facilitate Academic Conversations (POG Elements: Communicator, Collaborator, Creative and Critical Thinker).
3) Provide on-going training and coaching.

**Strategy 2**
Provide targeted support to subgroup students (Driver: Academic Support).

**End-of-Year SMARTR Outcome: MATH—CLOSE THE GAP**

The students in our African American subgroup will improve their scores by 15% on a Math problem solving assessment with an increased level of challenge when comparing October, 2014 and June, 2015 data.
