Dear Parents:

This summer, Fairfax County Public Schools (FCPS) will continue a summer reading requirement in order to encourage reading. Each student completing grades five through eleven is required to read at least one book during the summer months. Follow-up activities have been developed by the teachers at our school, and these will be implemented in the fall.

Attached is a list of suggested books for summer reading; however, students may read any book that is comparable to books on this list and approved by their parents.

Reading is crucial to academic achievement, and I urge you to encourage your child to read many books over the summer months. I appreciate your help as we all work together to support children’s academic progress.

Thank you in advance for understanding that our collective success at Island Creek depends on a home-school partnership that values academic choices all year long.

Happy Reading,

Michael G. Macrina
Principal
Suggested Summer Reading Lists

Grade Level Reading Lists

- Grade 6  -  http://www.fcps.edu/is/summer/reading/6.shtml
- Grades 7-8  -  http://www.fcps.edu/is/summer/reading/78.shtml

Note: A rising student is one that will be starting that grade in the new school year. For example, a rising tenth grader is one who completed the ninth grade in school year 2012-2013 and will be a tenth grader in the 2013-2014 school year.

About Summer Reading

In order to encourage and support reading achievement, every student who will be entering grades six through twelve in the fall must read at least one book over the summer.

The follow-up in the fall will be determined by each school. The Summer Reading lists contain suggestions for reading; although students may read any other book that is approved by their parents, except where individual schools have issued their own summer reading requirements. Any school-based requirements supercede the County requirement.

Some schools and courses, particularly at the high school level, have additional summer assignments. Parents and students should inquire about summer assignments when registering at the school. Most of these assignments are posted at the individual school web sites.

Resources

FCPS students can access online digital books (ebooks).

The Fairfax County Public Libraries have lists of many good books for readers of all ages. To access this information, click on the link below.

http://www.fairfaxcounty.gov/library/reading/

Connections is designed to assist teachers, parents, and others working with children in selecting books that reinforce the Virginia Standards of Learning in the four core content areas of English, history, math, and science. The books in the Connections database represent a wide variety of books available for children; however, it is not inclusive of all the books available. Remember, not all books are appropriate for use with all children; read and familiarize yourself with a book before you decide to use it with children.

This list includes a wide variety of books to appeal to the interests and reading levels of many students. Parents are encouraged to review book selections with their children in order to help them make appropriate choices. Students may select books from this list, or they may read a comparable book that is approved by their parents.

Additional suggestions can also be found in reading lists developed by Fairfax County Public Library at [www.fairfaxcounty.gov/library](http://www.fairfaxcounty.gov/library) and Virginia Readers’ Choice at [http://vsra.org/VRC.html](http://vsra.org/VRC.html)
