CURRENT CONTACT INFORMATION

Parents, please be sure that the school office is aware of any changes you have to your address and home, business or cell phone numbers. We must have correct information if we need to reach you in the event of an emergency. When time is of the essence, the last thing you would want school staff to be doing is searching for a phone number where you can be reached. Make it your 2007 New Year’s resolution to take time now to review the contact information the office has for your family and update it as needed.

ATTENDANCE

If your student will be tardy or absent, please call the attendance line at 571-642-6363 or from the school website use the attendance link: IslandCreekES.Attendance@fcps.edu. Please provide your student’s name, teacher name and reason for the absence or tardy.
