REMINDER FROM THE HEALTH ROOM

School Regulation 2102 prohibits school personnel from administering any medication unless a parent has completed an Authorization for Medication form, available in the school office or clinic. Students, who are required to take any medication other than antibiotics for more than 10 days, must have the form signed by their doctor. Medications are administered by the clinic aide. Parents, not students, must bring medicines to and from school. Any questions about the medication policy should be directed to the clinic room aide at 571-642-6310.

- Over the counter medication may be given for up to three consecutive days with parents’ or guardian’s signature.
- Over the counter medication may be given on an as needed basis throughout the school year with parents’ or guardian’s signature for pain relief for headaches or muscle aches.
- All medication must be hand delivered to the school by an adult.
