DREAMBOX

Island Creek Elementary has purchased DreamBox Learning's Math Program for another school year. DreamBox is an online, Intelligent Adaptive Learning(tm) program that helps all students achieve better, faster math proficiency. The program’s goal is for your student to build number sense through models and mental math. Since mental math is the goal, your students should not be provided paper and pencil to solve the problems. Your student can access DreamBox Learning from any computer, 24 hours a day, 7 days a week using this link: https://play.dreambox.com/login/qk88/islandce
To access DreamBox on iPad, go to http://www.dreambox.com/ipad, or search for "DreamBox Math" in the App Store. Download DreamBox Math Green and DreamBox Math Blue to ensure your student has access to the full catalog of DreamBox Learning Math lessons. When prompted in the app, use this School Code: qk88/islandce
