CROCS’ CREED CROCS READ! READ-A-THON

Students attended an assembly on February 8th to get them excited about the upcoming read-a-thon. Look in today’s take home folder for pledge letters, envelopes and instructions. Pledge envelopes are due back to school on Friday, February 16th. The Read-A-Thon will officially begin on March 2nd and end on March 12th.

KISS AND RIDE PROCEDURES

You may begin dropping off students at 8:05 in the Kiss and Ride Line. The closer to the start of school (8:20) that you use the K&R line, the more likelihood that the Kiss and Ride line will be backed up and cause your child to be tardy to class. Please also remember that Kiss and Ride should be done from the designated location only, not from the bus parking lot or main road. Thanks for helping to keep our children safe.
