SPRING PICTURE DAY

It's that time of year again – capture school memories with portraits by Lifetouch. Spring Picture Day will be held on Thursday, March 19, 2009.

Order your class picture now. Send your payment of $12 for each class photo. This will be your only opportunity to buy a class photo.

All students will be photographed individually. No need to send money now. You will receive a picture package to preview before you buy.

Portraits offer casual, studio-style photography that gives students more freedom to create a look that’s truly their own. Visit www.lifetouch.com for clothing suggestions, grooming tips, program details and more.
