- **Monday Sept 10th** 7:00-8:40pm Back to School Night, Cafeteria
- **Tuesday Sept 11th** 7:00-8:30pm PTA Meeting, Library
- **Wednesday, Sept 12th**
- **Thursday, Sept 13th**
- **Friday, Sept 14th**

SCHOOL DROP-OFF TIMES

To ensure safety for our children, we ask parents to remember that students should **arrive no earlier that 8:10 A.M.** everyday. The school does not provide before or after school student supervision. If your child will be having breakfast at school, please ensure they arrive between 8:10 & 8:20. **Classes start promptly at 8:25**; arrivals thereafter will be marked tardy. As a safety measure, we ask that all Kiss–N-Ride students be dropped off in the designated area only, not at the front doors. Also, please keep these safety concerns in mind while driving: **All** passengers must wear seat belts, slow down in the parking lot and never pass a school bus when their red lights are blinking. Let’s all be careful out there. Think and act safely!

SCHOOL SAFETY AND SECURITY

School Safety and Security are high priorities at Island Creek. As a security measure all staff members and workers display school ID badges. All individuals entering Island Creek must sign in at the front office, and receive a visitor’s badge each time they enter the building. This allows our staff to easily recognize you, and for security to be able to identify all adults in the building at any given time. This year we have a new computerized sign-in that prints out an individualized badge each time you visit. Please be prepared to leave your picture ID when you sign-in. So far, the new system is receiving great reviews.

To properly account for students, parents who bring their students to school late or check them out early must sign their children in/out in the main office. As part of our safety plan, all outside doors, except the front door, are locked throughout the day.
