THERE IS STILL TIME TO JOIN BAND OR STRINGS!!

Students in the 4th, 5th and 6th grade have the exciting opportunity to join STRINGS and BAND (only 5th and 6th for band) and there is still time to sign up! You don’t want your child to miss out on this chance to be part of something they can really be proud of. This year is the best year to sign up because for the first time, Band and Strings students will NOT be pulled out from instructional time! The Island Creek Staff and Administration have worked hard to create a schedule this year so that students can take advantage of every opportunity to participate in activities that they want to do. Strings and Band are two of those opportunities that they shouldn’t miss out on! Sign up before it’s too late. Registration ends September 12, 2014.

FCPS CARES

FCPS Cares is a way to recognize employees who do ordinary things in extraordinary ways. Parents, students, colleagues, and community members can recognize employees who go above and beyond by submitting the information via the FCPS website, which is then posted on the FCPS Cares web page and the employee and their supervisor are notified about the recognition.
