End of Year SMARTR Outcome - Mathematics

**Goal 1:**
By June 2017 students will achieve the following goals in math:
- Grade 1: 80% pass Spring MRA
- Grade 2: 92% pass Spring MRA
- Grade 3: 70% pass Gr. 3 SOL
- Grade 3 Advanced Math/AAP: 100% pass Gr. 3 SOL
- Grade 4: 74% pass Gr. 4 SOL
- Grade 4 Advanced Math/AAP: 100% pass Gr. 4 SOL
- Grade 5: 70% pass Gr. 5 SOL
- Grade 5 Advanced Math/AAP: 100% pass Gr. 6 SOL
- Grade 6: 71% pass Gr. 6 SOL
- Grade 6 Advanced Math/AAP: 100% pass Gr. 7 SOL

**Goal 2:**
Kindergarten through second grade, the gap between all subgroups and the highest achieving subgroup (white) will decrease by 5 percentage points.
Grades 3-6:
The gap between all subgroups and the highest achieving subgroup (white) meeting SOL grade-level benchmarks (pass or pass advanced) will decrease by 5 percentage points, when comparing fall and spring data.

**Strategy 1**
The school will focus on Tier 1 instruction in all grade levels and provide professional development of best practices in mathematics for instructional staff.

**Strategy 2**
Use progress monitoring for targeted students and a multi-tiered system of support to assign research based interventions aligned with individual needs of identified students.

**Strategy 3**
Support parent and community involvement in the area of mathematics.

End of Year SMARTR Outcome - Reading

**Goal 1:**
By June 2017 we will achieve the following goals:
- Grade K: 75% will achieve end of year DRA-WA benchmark
- Grade 1: 74% will achieve end of year DRA benchmark of 16 or higher
- Grade 2: 76% will achieve end of year DRA benchmark of 28 or higher
- Grade 3: 70% will achieve end of year DRA benchmark of 38 or higher
- Grade 4: 75% will pass Gr. 4 Reading SOL
- Grade 5: 80% will pass Gr. 5 Reading SOL
- Grade 6: 93% pass Gr. 6 Reading SOL
**Goal 2:**
By June 2017 we will achieve the following goals:

The gap between subgroups (ELL, SWD & BLACK) meeting DRA2 grade-level benchmarks and the highest-scoring subgroup (White) meeting DRA grade-level benchmarks in grades K-2 will decrease by 5 percentage points.

The gap between subgroups (ELL, SWD & BLACK) meeting SOL grade-level benchmarks (pass or pass advanced) and the highest-scoring subgroup (white) meeting SOL grade-level benchmarks (pass or pass advanced) will decrease by 5 percentage points.

| Strategy 1 | **Implement The Next Steps in Guided Reading school wide in all grade levels.** |
| Strategy 2 | **The Responsive Instruction Team will provide strategic and targeted support for students with reading concerns.** |
| Strategy 3 | **Coaches will provide content embedded professional development in CLTs (Word Study, Interactive Read Aloud, administering running records/analyzing data and Writing Workshop)** |
