English II Honors – Supply List

Materials/Supplies
• a binder, folder, or storage device for handouts and papers—Be sure that you have an organizational system! I also recommend binder dividers
• agenda book
• tissue boxes
• pencils and black or blue pens
• highlighters (multiple colors) and/or Post-it notes/“flags” (recommended supplies for marking up texts)
• white, loose-leaf paper
• Novels/Plays/Short Stories—As an Honors student, you are strongly encouraged to purchase your own copy of the works we will be studying so that you can annotate the texts. We will review the titles in September and which books are recommended for purchasing and borrowing from the school’s library.
